HP DesignJet T1700 Printer series

Securely, efficiently, and accurately produce quality CAD and GIS applications up to 44 inches

SECURE—Protect your work and your information

- Protect printers/data from unauthorized access with HP Secure Boot, whitelisting, encrypted hard disk, more.
- Protect documents, preserve confidentiality with authentication solutions like PIN printing, card readers.[3]
- Secure your printers with HP JetAdvantage Security Manager; manage your fleet remotely with HP Web Jetadmin.
- Control and optimize printing costs with accounting solutions—or with your reseller through HP Partner Link.

EFFICIENT—No more PC freezing up

- Adobe PDF drivers[2] free up your computer immediately after sending to print—even for the most complex files.
- No interruptions—dual-roll options reduce roll changes; two rolls double capacity, help switch paper types.[4]
- Handle complex files—powerful processing architecture[1], 128 GB memory[5], 500 GB HDD at 116 A1/D pgs/hr.
- Easily print project sets and PDF documents with HP Click printing software.

ACCURATE—Make better decisions with precise colors

- Get bright color and bold image quality—even on plain papers—with HP Bright Office Inks.
- Reproduce transparencies, layers, color palettes, and gradients with embedded Adobe PDF Print Engine.[2]
- Tuned profiles reproduce distinct shades of color; color/gray/photo black inks make soft colors, dark tones.
- Accurately display data—high-density printheads provide 2400 nozzles per inch, enabling 0.1% line accuracy.[6]
